GIS (Global and Interdisciplinary Studies)
Application Guidelines
[S Standard for Entry in April]

GIS (Faculty of Global and Interdisciplinary Studies) Admission

The following sets out the admission entrance requirements for the GIS (Global and Interdisciplinary Studies) faculty, which has the goal of developing ambitious graduates, equipped with both an interdisciplinary education and proficient English, so that they can work at the forefront of the international community. At GIS, all classes are held in English, so applications must meet the below English language requirements. In the course of the screening, in addition to both high school grades and extracurricular activities, an important consideration is the interest and study motivations of applicants for the subject courses offered by GIS.

(5) Considerations for Examinations and Studies

If you have a disability, etc., and need consideration for the entrance examination or your program of study, then you need to apply for this before you make your application (before you register for the application online). Once you have submitted a doctor's diagnosis, written opinion, application form, etc., if the University deems it necessary, an interview will be scheduled to determine the particulars of your condition. For further details please check the announcements posted online on the entrance examination information website in early August.

(6) Applicants with Non-Japanese Nationality (Acquiring a Student Visa)

Students with non-Japanese nationality need to have a student visa (status: 留学) to study in Japan, and to be eligible for scholarships and other assistance. Please contact the GIS office before applying if you are outside of Japan during the completion of enrollment procedures.

Non-Japanese students may also enroll with a different visa (dependent, permanent resident, long-term resident, spouse or child of permanent resident, etc.), but will not be eligible for scholarship or other assistance for international students.

3. My Page Registration

Hosei University Entrance Examination Guidance "My Page Registration"

See <https://www.guide.52school.com/guidance/net-hosei-tokubetsu/mypage/>

To apply, you need to register for "My Page" online.

Enter your e-mail address and follow the on-screen instructions to register.

* If you are making an application under both the S standard and the A standard, then you will need to register twice.

4. Personal Information Registration and Photo Registration

Hosei University Entrance Examination Guidance "My Page Registration"

See <https://www.guide.52school.com/guidance/net-hosei-tokubetsu/mypage/>

After registering for My Page you will be able to register your personal information and upload your photo, so please follow the instructions on the screen to register.

You need to upload your photo. Your registered photo will be used when your application form is printed to verify your identity on the day of the exam, and it will also be used for your student ID*. No printing or mailing is required. The specifications for the photo data are described in the above URL.

* After enrollment, your student ID card photo (3cm x 3cm) will be used until your graduation. Please be sure to dress in a proper manner (it can be a uniform or smart casual clothing).

5. Internet Application Registration

(1) Internet Application Registration

Hosei University Entrance Examination Guidance "Internet Application Registration"

See <https://www.guide.52school.com/guidance/net-hosei-tokubetsu/how/>

Make sure to register for the Internet application after 10:00AM on the application start date.

For the application period, please refer to Section 2 part (2) Entrance Examination Method, Application Period, and Schedule (it varies depending on the entrance examination method) above.

Please consider the number of days that are needed to send application documents and give yourself sufficient time to complete Internet Application Registration (including enrollment application fee payment procedures (see (2) Enrollment Application Fee)).

* It is not possible to register an application on the Internet before the application starts at 10:00AM.

* Application procedures will not be completed just by registering an application on the Internet. Application procedures will only be considered completed when all application documents have arrived at the University.

(2) Enrollment Application Fee

Hosei University Entrance Examination Guidance "Top Page"

See <https://www.guide.52school.com/guidance/net-hosei-tokubetsu/>

Amount: 20,000 yen

Payment method: Please pay at a designated convenience store or use a credit card, etc., within the application period.

* In all cases a service usage fee of 990 yen will be charged.

* In principle, enrollment application fees that have been paid will not be refunded for any reason.

6. Posting of Application Documents

Hosei University Entrance Examination Guidance “Posting of Application Documents”

See <https://www.guide.52school.com/guidance/net-hosei-tokubetsu/doc/>

After completing the Internet Application Registration, you need to post your application documents. Please stick the printed mailing label onto the surface of a commercially available A4 envelope A4 (角 2- 332mm x 240mm) document envelope, place all of your documents inside it, and post it by recorded delivery (applications must be submitted by post).

* It must be postmarked by the date of the deadline (applications from overseas must arrive by the deadline). In addition, please make sure to use express mail/registered mail if you are mailing your documents from inside of Japan on the day before or on the day of the deadline.

* We recommend that you confirm the handling time and delivery time for mail in advance. The University assumes no responsibility for items sent by post.

* Hosei University cannot confirm the arrival of documents. Please use the "Post Tracking Service" on Japan Post's website. Please make sure to take a note of the registered mail tracking number so that you can track it.

[Application Documents]

- ① Enrollment Application Form(Downloaded from the Internet and printed)
The downloadable form can be printed upon payment of the application fee.

- ② Certified high school graduation and school reports (sealed). 1 copy
 - a. Applicants who expect to graduate from high school or a secondary education school should submit a school report that includes grades in the first semester in the third year.
 - * This can be printed on both sides of A3 size paper.
 - * If the above school report can't be issued due to high school curriculum restrictions, then please submit the latest school report that can be issued at the time the application is made. Please note that the school report that is submitted as part of an application can't be changed once it has been received.
 - b. Applicants who have already graduated from high school or a secondary education school should submit the school report which was issued after they graduated.
 - * This can be printed on both sides of A3 size paper.
 - c. Applicants who have passed, or are expected to pass, an authorized high school degree examination and those who have passed the high school equivalence test should submit an official transcript.
 - * Letters indicating you have passed are not accepted.

- * There is no need to submit a certificate of credit acquisition for exempted courses.
- d. Applicants who have completed, or expect to complete, 12 years of education or equivalent in a non-Japanese educational institution overseas should submit a certificate and an official transcript.
 - * Please submit the original certificate written in Japanese or English. If the documentation is in any other language, then please obtain and attach a Japanese or English translation, and in addition obtain certification from either an embassy or other public organization that it is an official translation.
 - * Please submit this in a sealed envelope together with the original. Please submit all original documents, such as your graduation certificate and transcript, together with official translations in a sealed envelope.
 - * Applicants who have been enrolled at both a Japanese and an overseas high school need to also submit their school report from the Japanese high school.
- e. If a school report cannot be issued, submit proof of (expected) graduation and an official transcript.
 - * If the name used in the application form is different to that stated in the school report, etc., then documents that can officially prove that the applicant is the same person are required (documentation that clearly shows the previous name and the new name such as a family registry, etc. In the case of a residency card, it must not have your My Number written on it).

Points to Note

- Please submit only original documents for all school reports and transcripts. Copies will not be accepted. If an original document cannot be submitted, submit a copy certified by your school principal.
- For any semester(s) spent studying abroad during high school, please provide documents showing the courses taken and the grades obtained by academic year from the overseas school where you studied. If this is not possible, please ensure that study completed abroad is reflected in your high school report. Please submit the documentation from the overseas school in a sealed envelope. If an original document(s) cannot be submitted, submit a copy certified by your school principal.
- Transcripts must contain all the grades obtained in high school.

7. Selection Process (Document Screening)

Applicants will be comprehensively evaluated and selected based on the application documents (school reports, Personal Statement, etc.) and according to the standards set by the faculty.

However, in addition to the above, online interviews in English may be requested. Please note the following:

[Interview Date]

October 6 (Sun), 2024

[Communications regarding interviews]

The university will contact applicants with further details about interviews by 23:59 on October 4 (Fri), 2024 from the GIS Office email address (gis@hosei.ac.jp).

- * Applicants who do not need to attend an interview will not be contacted. Please wait until the results of the screening are announced.
- * Applicants who do not need to attend an interview may still be accepted.
- * If you have specified a domain, please set up your account to receive emails from @hosei.ac.jp.

8. Screening Results

Please check the Hosei University Entrance Examination Guidance “Screening Results” via the link:

<https://www.guide.52school.com/guidance/net-hosei-tokubetsu/results/>

[Screening Results Announcement Date]

10:00AM on November 1, 2024 (Fri)

You can check the result of your application via My Page.

- * We do not accept telephone inquiries about application results.

9. Enrollment Procedures

Hosei University Entrance Examination Guidance “Enrollment Procedures”

See <https://www.guide.52school.com/guidance/net-hosei-tokubetsu/enrollment/>

[Procedure deadline]

November 8, 2024 (Fri)

Successful applicants should complete enrollment procedures via My Page, pay the admission enrollment fee, and complete the "Student Enrollment Information Registration" by the admission enrollment deadline.

- * If you do not complete enrollment procedures by the admission enrollment deadline, you will be considered to have declined enrollment.
- * Enrollment procedures will not be accepted after the admission enrollment period ends due to "ICT errors" or "mistakes" with the system used for the announcement of results and enrollment procedures.
- * If you wish to postpone enrollment procedures, it is possible to do so up until February 28, 2025, provided that you pay your enrollment application fee (the same amount as the enrollment fee) by the enrollment procedures deadline and complete all designated procedures.
- * Please note that the Acceptance Letter and bank transfer form are listed on "My Page" on the Internet application site and are not mailed out.
- * If you wish to decline the offer of admission for unavoidable reasons after completing the enrollment procedures (after paying the full amount of the enrollment fees), you will be able to receive a refund of your tuition and other fees, excluding the enrollment fee, if you complete the procedures prescribed by the University by March 31, 2025.

10. Application Notes and Other Important Points

(1) Application Notes

- ① Application procedures will not be completed only by registering an application on the Internet. Application procedures will be completed when all documents have arrived at the University.
- ② After you apply, you can't change the entrance examination method or the faculty/department you have applied to. Applicants can't cancel their application once it has been submitted.
- ③ Documents sent to Hosei University will not be returned. Hosei University is also not able to replace any documents that are submitted as part of an application.
- ④ If you need to take examinations in order to obtain the qualification you need in order to apply or to meet the entrance requirements and it is found that either you are unable to meet these requirements by the time of enrollment or that there are irregularities in your qualifications, we will handle the situation as follows.
 - If you need to take examinations in order to obtain the qualification you need in order to apply or to meet the entrance requirements, and it is found that you are unable to meet these requirements by the time of enrollment, the University will withdraw its offer of a place.
 - If you need to take examinations in order to obtain the qualification you need in order to apply or to meet the entrance requirements and you complete the University's enrollment

procedures (by paying the full amount of the enrollment fees), but it is found that you will not be able to meet the requirements by the time of enrollment, you will be able to receive a refund of the tuition fees and other fees, excluding the enrollment fees. Please contact the Admissions Centre immediately and inquire into the required procedures if you find that you are unable to meet the application or admission requirements. For applicants who only go through the first stage of the postponement procedure, the enrollment application fee (the same amount as the enrollment fee) will not be refunded and there is no procedure for requesting a refund.

- If any irregularities are discovered between the time of application and the announcement of the screening results, your eligibility to apply for a place will not be granted and your application fee will not be refunded.
- If any irregularities are discovered between the period from the announcement of the screening results to enrollment and the University decides to withdraw its offer of a place, the enrollment application fee will not be refunded. However, if you have completed the enrollment procedures for Hosei University (payment of all enrollment fees), then tuition fees, educational fees, laboratory fees, and membership fees, but excluding enrollment fees, will be refunded.
- If any irregularities are discovered after enrollment and the University withdraws its offer of a place, enrollment application fees, enrollment fees, and other fees that have already been already paid (tuition fees, educational fees, laboratory fees, and membership fees) will not be refunded.

(2) Handling of personal information

At Hosei University, personal information such as the names and addresses of applicants who have made an application will be used for a series of procedures, including the acceptance of applications for entrance examinations, application assessment, the announcement of results, and for enrollment. In addition, this information is used for sending documents and notifications that are needed for starting student life at Hosei University, and for the statistical processing of enrollment data.

Part of the above operations are handled by a contractor who is entrusted with these operations by the Hosei University Admission Center. At the time that such work is outsourced, we may provide some or all of the personal information that has been supplied to us to such contractors for the purpose of undertaking the work that has been outsourced. We appreciate your understanding.

All personal information is handled appropriately in accordance with the Hosei University Rules on the Protection of Personal Information and the Handling of Specific Personal Information. For related queries, please contact:

- Hosei University Admission Center NKadm@ml.hosei.ac.jp

11. Refund of Enrollment Application Fee

In principle, application fees that have been paid will not be refunded for any reason. However, in the following cases a refund may be made:

- ① If you paid the enrollment application fee but didn't make an application (did not submit the application documents)
- ② If you paid the enrollment application fee but did not meet the application requirements

Application Fee Refunds

If you would like to apply for a refund, please use the URL or QR code below and fill out the form.

<https://forms.gle/Tx3qcMpNUGazN4Ak6>

Deadline:

November 30, 2024

Refund Notes:

- Please apply for the refund by the deadline.
- The service usage fee for the entrance examination (990 yen) is not refundable.
- The bank account transfer takes 2 to 3 months from the date of the deadline.
- If the transfer is to an overseas bank then additional transfer fees may be deducted from your refund.

1. Frequently Asked Questions

(1) *Is it possible to apply under both the S and A standards?*

→ Yes, it's possible. Please submit your application documents within the application period specified in the guidelines for each one. With regard to the Personal Statement content, it is fine for it to be the same or different for each standard.

(2) *Is it possible to use forms from past applications?*

→ No. Please use the latest versions as they are updated each year.

(3) *If I am attending, or have graduated from a college or professional school after graduating from high school, which transcripts are required, and who should write the references?*

→ Transcripts are required for all school institutions (from high school onwards) where formal qualifications have been attained. For example, if a student has graduated from a high school, completed a two-year college course and is currently taking a four-year university course, transcripts will be required for all three institutions. The references should be written by two full-time teachers at the most recent school institution you have attended or are attending. In the case of the above example, please ask a full-time university teacher.

(4) *Can I ask the university adviser or counselor at my school to write the reference letter?*

→ The person writing the reference letter must be very familiar with the academic ability of the applicant. Please ask a teacher who is in charge of your classes and who can directly evaluate the applicant's degree of understanding of different subjects, learning attitude, and desire to learn.

(5) *Does an applicant who has completed 12 years of schooling outside Japan (as per P.4) have to have studied for all 12 years overseas?*

→ If you have completed a 12-year school education course that includes time in Japan and abroad, this is fine.

(6) *What should I do if my name is different to the one shown in my application documents due to dual nationality or other reasons?*

→ Please submit a copy of your passport/s or other official documentation to show that you are the same person as the one who submitted the application.

(注1)学費は第1期と第2期の2回(年間の1/2ずつ)に分けての納入となります。入学手続時には、入学金と入学年度第1期分を納入する必要があります(国際文化学部2年次の学費は春学期に一括して納入する必要があります)。
(注2)諸会費については、毎年度の見直しにより変更となる場合があります。
(注3)上記のほか、実習費やスタディ・アブロード(SA)プログラム、海外研修参加費等が別途必要となることがあります。
(注4)現代福祉学部福祉コミュニティ学科は「ソーシャルワーク実習Ⅰ」「精神保健ソーシャルワーク実習」「スクールソーシャルワーク実習」「コミュニティマネジメント・インターンシップⅠ」を行う場合、臨床心理学科は「心理実習」を行う場合、別途実習費や実費が必要となります。
(注5)理工学部機械工学科航空操縦学専修は、操縦実習時に宿泊費、教材費、国家試験費用、航空身体検査費用、追加訓練費用等が別途必要となります。事業用課程以降の実習を選択した場合、概算1,630万円(予定)の費用が必要となります。実習費用は燃料費の変動や実習プログラムの変更などにより変動することがあります。
(注6)スタディ・アブロード(SA)プログラム費用の詳細はP.190をご参照ください。なお、国際文化学部はSAプログラムへの参加が必須(SS参加者は選択制)となっています。国際文化学部の外国人留学生入試、海外指定校推薦入試、日本語学校指定校推薦入試、韓国済州特別自治道教育庁からの推薦入試等により入学した外国人留学生は、SAプログラムではなく2年次夏季期間のスタディ・ジャパン(SJ)プログラムへの参加が必須となります。

教育ローンについて

奨学金以外に学費を賄うための制度として、教育ローン制度があります。審査には一定程度の期間を要します。入学手続期間内に入学時納入金の振り込みが必要になりますので、受験前に融資審査を済ませておくことをお勧めします。詳細は各問い合わせ先にご連絡いただくか、各ウェブサイトでご確認ください。

スタディ・アブロード(SA)プログラム費用

※為替レートや航空券・燃油代により、費用は変動します。
 ※SA先大学やSA期間は予告なく変更となることがあります。

学部独自の留学プログラム(SAプログラム)を、国際文化学部、文学部英文学科、経済学部、社会学部、経営学部、人間環境学部、キャリアデザイン学部、GIS(グローバル教養学部)※、情報科学部、理工学部、生命科学部で実施しています。国際文化学部では原則として、外国人留学生を対象とした入試により入学した外国人留学生を除きSAプログラムが必修(SIコース生は選択制)で、他の学部・学科では希望者が参加できるプログラムです。プログラムの詳細はP.027をご参照ください。SAプログラムは、在学中の学費とは別に費用がかかりますので、以下の表を参考にしてください(費用は留学先の国や大学、期間、為替レートによって異なります)。また、採用条件を満たすと、学部・SA先によって金額が異なりますがSA奨学金が支給されます。

※GIS(グローバル教養学部)の留学プログラム名称は、「Overseas Academic Study Program」です。
