

HOSEI UNIVERSITY

GIS (Global and Interdisciplinary Studies)

Application Guidelines

[S Standard for Entry in April]

The following sets out the admission entrance requirements for the GIS (Global and Interdisciplinary Studies) faculty, which has the goal of developing ambitious graduates, equipped with both an interdisciplinary education and proficient English, so that they can work at the forefront of the international community. At GIS, all classes are held in English, so applications must meet the below English language requirements. In the course of the screening, in addition to both high school grades and extracurricular activities, an important consideration is the interest and study motivations of applicants for the subject courses offered by GIS.

(5) Considerations for Examinations and Studies

If you have extenuating circumstances (such as a disability) and need consideration for the entrance examination or your program of study, then you need to apply for this before you make your application (before you register for the application online). Once you have submitted proof (such as a doctor's diagnosis, written opinion, application form, etc), and if the University deems it necessary, an interview will be scheduled to determine the particulars of your condition. For further details please check the announcements posted online on the entrance examination information website in early August.

(6) Applicants with Non-Japanese Nationality (Acquiring a Student Visa)

Students with non-Japanese nationality need to have a student visa (status: 留学) to study in Japan, and to be eligible for scholarships and other assistance. Please contact the GIS office before applying if you are outside of Japan during the completion of enrollment procedures.

Non-Japanese students may also enroll with a different visa (dependent, permanent resident, long-term resident, spouse or child of permanent resident, etc.), but will not be eligible for scholarship or other assistance for international students.

■ Application documents

① Application form for admission (Download from the Internet and print)

The application form can be downloaded and printed upon payment of the application fee.

② Certified high school graduation and school reports (must be sealed) 1 copy

- a. Applicants who expect to graduate from high school or a secondary education school should submit a school report that includes grades in the first semester in the third year.
 - * This can be printed on both sides of A3 size paper.
 - * If the above school report can't be issued due to high school curriculum restrictions, then please submit the latest school report that can be issued at the time the application is made. Please note that the school report that is submitted as part of an application can't be changed once it has been received.
- b. Applicants who have already graduated from high school or a secondary education school should submit the school report which was issued after they graduated.
 - * This can be printed on both sides of A3 size paper.
- c. Applicants who have passed, or are expected to pass, an authorized high school degree examination and those who have passed the high school equivalence test should submit an official transcript and a certificate of enrollment (or graduation certificate) from their most recently attended school.
 - * Letters indicating you have passed are not accepted.
 - * There is no need to submit a certificate of credit acquisition for exempted courses.
- d. Applicants who have completed, or expect to complete, 12 years of education or equivalent in a non-Japanese educational institution overseas should submit a certificate and an official transcript.
 - * Please submit the original certificate written in Japanese or English. If the documentation is in any other language, then please obtain and attach a Japanese or English translation, and in addition obtain certification from either an embassy or other public organization that it is an official translation.
 - * Please submit this in a sealed envelope together with the original. Please submit all original documents, such as your graduation certificate and transcript, together with official translations in a sealed envelope.
 - * Applicants who have been enrolled at both a Japanese and an overseas high school need to also submit their school report from the Japanese high school.
- e. If a school report cannot be issued, submit proof of (expected) graduation and an official transcript.

If the name on your application form and school records is not the same due to a name change, please submit a document that officially certifies that you are the same person (one that clearly states both your previous name and new name, such as a copy of your family register. In the case of a residency card, this should not include your My Number).

<Points to Note>

⑥ Personal Statements (a) and (b)(Total of 2)(Download from the Internet and print)

Personal Statement Cover Form

Print the PDF Statement Cover Form from the Internet, then fill it out by hand.

Personal Statement Topics

Type your statements on a computer on A4 or US letter size paper. Use a 12-point font with sufficient line spacing and margins. Be sure to write your name in the top right corner of each page. Staple the printed cover page and the main text together at the top-left corner.

Handwritten statements will not be accepted. The submission should be a single document, with the main text written in the order of (a) then (b).

(a) Required Essay: Motivation Statement (100-120 words in English)

Briefly explain why you chose our faculty and the kinds of courses you intend to study. Describe how your choices relate to your background, interests, and future goals

(b) Required Elective Essay: Leadership Experience or Inquiry-based Learning Experience (400-450 words in English)

Chose and write one of the following short essays:

i) Leadership Experience

Elaborate on a specific leadership experience in an extracurricular setting: this could be leading a club or group, contributing to a team project, or engaging with your school or local community.

Or

ii) Inquiry-Based Learning Experience

Describe a meaningful experience where you explored a topic or question on your own, or with others: this could be a school research project, independent study, creative production, or any activity where you actively pursued a question or topic in depth.

* Optional supplemental materials

If it helps us to understand either your Leadership Experience or Inquiry-based Learning Experience, you may submit up to three A4-sized documents as supporting information or evidence. These documents could be (but are not limited to) a copy of a certificate, a summary of projects, works, or any other achievements completed by the applicant or their team, for your essay.

⑦ **Two letters of references (Sealed) (Download from the Internet and print)**

Letters of reference in English or Japanese from two full-time teachers of the most recent school institution (*) the applicant attended (issued within the previous 6 months and sealed). Letters sent from overseas should be addressed on the envelope to the mailing address of the Faculty of GIS as shown in ⑧ (it is fine if it arrives early).

* References are not accepted from teachers at institutions which do not issue formal academic degrees such as: professional training colleges, vocational schools, cram schools, preparatory schools, and language schools.

* Even if your teacher lives overseas, submissions of letter of references in digital format, such as PDF or other digital formats, will not be accepted.

* Teachers must sign the letter of references by hand. Computerized or electronic signatures are not accepted.

* Letter of references and the applicant's school report may be posted in the same envelope.

* Submissions made using a format other than the one designated by this university will not be accepted.

⑧ **Application Document checklist (Download from the internet and print)**

⑨ **Postal Address Label (Download from the internet and print)**

Attach the printed address label onto an A4 document envelope (332mm x 240mm), place your application documents inside for mailing.

If you are posting your application documents from overseas, please send your documentation by registered mail to the following address:

Faculty of GIS, Hosei University, Office of Academic Affairs
2-17-1 Fujimi, Chiyoda-ku, Tokyo, 102-8160, JAPAN

7. Selection Process (Document Screening)

Applicants will be comprehensively evaluated based on the application documents (school reports, personal statements, etc.) and according to the criteria set by the faculty. In addition to the above, online interviews in English may be requested and conducted for selected candidates. Please note the following:

■ Interview date

Sunday, October 5th, 2025

■ Communications regarding the interviews

The university will contact applicants regarding details of any requested interviews by 23:59 of Friday October 3rd, 2025 from the GIS Office email address (gis@hosei.ac.jp).

- * Applicants who do not need to attend an interview will not be contacted. Please wait until the results of the screening are announced.
- * Applicants may still be accepted even if they do not need to attend an interview.
- * If you have specified a domain, please set up your account to enable emails from @hosei.ac.jp.

8. Announcement of Results

Hosei University Entrance Exam Guidance Results

See <https://www.guide.52school.com/guidance/net-hosei-tokubetsu/results/>

[Screening Results Announcement Date] 10:00 AM Tuesday, November 4th, 2025.

- * You can check the results of your application online via My Page
- * We do not accept inquiries regarding application results.

9. Enrollment Procedures

Hosei University Entrance Examination Guidance: Enrollment Procedures

Please refer to: <https://www.guide.52school.com/guidance/net-hosei-tokubetsu/enrollment/>

[Procedure Deadline] Tuesday, November 11th, 2025.

- * Successful applicants must complete enrollment procedures on MY PAGE, pay the enrollment fee, and complete the Student Enrollment Information Registration by the enrollment deadline.
- * If you do not complete enrollment procedures by the enrollment deadline, you will be considered to have declined admission and enrollment.
- * Enrollment procedures will not be accepted after the admission enrollment period ends.
- * Enrollment procedures will not be accepted due to operational errors or misunderstanding of the system used for the announcement of results and enrollment procedures.
- * If you wish to postpone enrollment procedures, it is possible to do so up until February 27th 2026, provided that you pay your enrollment fee (the same amount as the admission fee) by the enrollment procedures deadline and complete all designated procedures.
- * Please note that the Acceptance Letter and Bank Transfer Form are listed on MY PAGE on the Internet application site and are not mailed by post.
- * If you wish to decline the offer of admission for unavoidable reasons after completing the enrollment procedures (after paying the full amount of the enrollment fees), you will be able to receive a refund of your tuition and other fees, excluding the enrollment fee, if you complete the procedures prescribed by the University by March 31, 2026.

10. Important Points to Note During the Application Process

(1) Important Points to Note when Filing Your Application

- ① Application procedures will not be completed just by registering an application on the Internet. Application procedures will be completed when all documents have arrived at the University.
- ② After you apply, you can't change the entrance examination method or the faculty/department you have applied to. Applicants can't cancel their application once it has been submitted.
- ③ Documents sent to Hosei University will not be returned. Hosei University is also not able to replace any documents that are submitted as part of an application.
- ④ If you need to take examinations in order to obtain the qualification you need in order to apply or to meet the entrance requirements and it is found that either you are unable to meet these requirements by the time of enrollment or that there are irregularities in your qualifications, we will handle the situation as follows.

- If you are required to take examinations to obtain the qualification you need to be able to apply or to meet the entrance requirements and it is found that you are unable to meet these requirements by the time of enrollment, the University will withdraw its offer of a place and your acceptance will be revoked;
- If you are required to take examinations to obtain the qualification you need to be able to apply or to meet the entrance requirements and you complete the University's enrollment procedures (by paying the full amount of the enrollment fees), but it is found that you are unable to meet these requirements by the time of enrollment, you may be able to receive a refund of the tuition fees and other fees, excluding the enrollment fees. Please contact the Admissions Centre immediately and inquire into the prescribed procedures to take if you find that you are unable to meet the application or admission requirements. Please note that for applicants who have only completed the first postponement procedure, the application fee (the same amount as the enrollment fee) is not refunded and there is no procedure for requesting a refund.
- If any irregularities are discovered between the time of application and the announcement of the screening results, your eligibility to apply for a place will not be granted and your application fee will not be refunded.
- If any irregularities are discovered between the period from the announcement of the screening results to enrollment and the University decides to withdraw its offer of a place, the enrollment application fee will not be refunded. However, if you have completed the enrollment procedures for Hosei University (payment of all enrollment fees), then the tuition fees, the educational fees, the laboratory fees, and membership fees, but excluding enrollment fees, will be refunded.
- If any irregularities are discovered after enrollment and the University withdraws its offer of a place, the application fees, the enrollment fees, and other fees that have already been already paid (tuition fees, educational fees, laboratory fees, and membership fees) will not be refunded.
- If any fraud is discovered between the time of application and the announcement of the results, your application will not be recognized, and the entrance examination fee will not be refunded.

(2) Handling of Personal Information

Hosei University uses personal information submitted by applicants, such as names and addresses, to accept and administer examinations, to announce the results, and to complete the process leading up to student enrollment. This information is also used for sending documents and notifications that are needed for starting student life at Hosei University, and for the statistical processing of enrollment data.

Part of the above operations are handled by contractors commissioned by the Hosei University Admission Center. At the time that such work is outsourced, we may provide some or all the personal information that has been supplied to us to the contractors for the purpose of undertaking the work that has been outsourced. Please be notified of this.

Personal information is managed appropriately in accordance with the *Hosei University Rules on the Protection of Personal Information and the Handling of Specific Personal Information*.

For any related queries, please contact: Hosei University Admission Center NKadm@ml.hosei.ac.jp

11. Refund of Enrollment Application Fee

In principle, application fees that have been paid will not be refunded for any reason. However, in the following cases a refund may be applicable:

- ① If you paid the entrance examination fee but did not apply (did not submit the application documents).
- ② If you paid the entrance examination fee but did not meet the application requirements.

[How to Apply for a Refund]

References 1. Frequently Asked Questions

(1) Is it possible to apply under both the S and A standards?

→ Yes, it's possible. Please submit your application documents within the application period specified in the guidelines for each one. With regard to the Personal Statement content, it is fine for it to be the same or different for each standard.

(2) Is it possible to use forms from past applications?

→ No. Please latest versions as they are updated each year.

(3) If I am attending, or have graduated from a college or professional school after graduating from high school, which transcripts are required, and who should write the references?

→ Transcripts are required for all school institutions (from high school onwards) where formal qualifications have been attained. For example, if a student has graduated from a high school, completed a two-year college course and is currently studying a four-year university course, transcripts will be required for all three institutions. The references should be written by two full-time teachers at the most recent school institution you have attended, or are attending. In the case of the above example, please ask a full-time university teacher.

(4) Can I ask the university adviser or counselor at my school to write the reference letter?

→ The person writing the reference letter must be very familiar with the academic ability of the applicant. Please ask a teacher who is in charge of your classes and who can directly evaluate the applicant's degree of understanding of different subjects, learning attitude, and desire to learn.

(5) Does an applicant who has completed 12 years of schooling outside Japan (as per P.5) have to have studied for all 12 years overseas?

→ If you have completed a 12-year school education course that includes time in Japan and abroad, this is fine.

(6) What should I do if my name is different to the one shown in my application documents due to dual nationality or other reasons?

→ Please submit a copy of your passport/s or other official documentation to show that you are the same person as the one who submitted the application.
